Dear Linda Bird,

Comments:

Response 1

Comments: Attached please find a revised form UL-3501AR, under the Forms Tab, as well as a revised Actuarial memo and the requested Certifications, under the Supporting Documents Tab.

Please note that we have made modifications to the Policy form that are in addition to the requested deletion of the Suicide provision regarding reinstatement. I direct you to pages 8, 12 and 14 of the policy, where we added wording to further clarify the policy. (Page 8-added " unless specified otherwise by the Owner" to the paragraph entitled Effective Date of Elections, Designations, Changes and Requests. Page 12 - added wording to the end of the section entitled Specified Amount Increases, regarding maintaining the Policy's qualifications under IRS Section 7702 as life insurance. Page 14 - Added an additional section entitled Illustrative Report.)

Thank you for your time and consideration.

General Provisions

Entire Contract

The Entire Contract between You and Us consists of this Policy, including any attached Riders or Endorsements or amendments, and the attached Application or any additional application.

Any application for:

1. Additional benefits provided by Rider;
2. A change in coverage; or
3. Reinstatement

will be attached to this Policy on the effective date of the Rider, change or reinstatement.

Only an Officer of the Company can change the terms of this Policy and only in writing. No agent is authorized to change the contract in any way or extend the time for paying Premiums.

Statements

We consider all statements made in an Application for insurance or reinstatement to be representations and not warranties, unless they are fraudulent. No statement will be used to void coverage or reduce benefits unless:

1. it is in writing; and
2. a copy is attached to the Policy.

Misstatement of Age or Gender

If the Insured's age or gender was misstated, the Insured's correct age or gender at the date of application will be used to determine:

1. The Death Benefit; and
2. Any other rights or benefits under this Policy.

If the Insured's age or gender was misstated, we will adjust the Death Benefit to be the amount that would be purchased by the most recent Monthly Deduction at the correct Age or gender.

Suicide

If the Insured commits suicide, while sane or insane, within 2 years from the Issue Date, proceeds payable will be limited to:

1. Total Premiums paid,
2. Less any Debt and all partial withdrawals and
3. Less the cost of insurance for any other covered person insured by Rider.

The proceeds payable will be paid to the Beneficiary in one lump sum regardless of any policy settlement previously elected by You or the Beneficiary.

If the Insured commits suicide, while sane or insane, after 2 years from the Issue Date, but within 2 years from the effective date of any requested increase in the Specified Amount that required evidence of insurability, the proceeds payable with respect to the amount of the increase will be limited to the return of the premium, including all expenses, for the increase.

Incontestability

We will not contest the validity of this Policy after it has been in force during the Insured's lifetime for 2 years from:

- the Issue Date, or
- the date of a requested benefit increase that required evidence of insurability, or
- the last Reinstatement Date.

We will not use a statement made by You or the Insured on any Application to contest a claim unless:

1. The Insured dies within 2 years of:
 - a. the Issue Date, or
 - b. the effective date of the requested benefit increase, or
 - c. the last Reinstatement Date and
2. any answer, representation or acknowledgement made by You or the Insured on the application for insurance, requested benefit increase, or reinstatement was not true and/or complete; and
3. if we had known the truth, We would not have issued, increased or reinstated the Policy in its present form.

We can contest this Policy at any time for:

- nonpayment of premium; or
- fraud, where permitted by the state where this Policy is delivered or issued for delivery.

Protection Against Creditors (Beneficiary's Rights)

While the Insured is alive, the Beneficiary may not assign or borrow against the benefit amount. While the Insured is alive or upon death, a Beneficiary's creditors may not claim any of the benefit amount or interest, unless allowed by law.

Protection Against Creditors (Owner's Rights)

While the Insured is alive, the Owner may not assign or borrow against the benefit amount, except as stated in the Assignment provision. While the Insured is alive, an Owner's creditors may not claim any of the benefit amount or interest, unless allowed by law.

Clerical Errors

Clerical or system errors in this Policy, or any report concerning this Policy, will not:

- deprive You of the benefits You are entitled to under the Policy; or
- provide You with additional benefits You are not entitled to.

Conformity with State Statutes

This Policy is subject to the laws of the state where the Application was signed. If part of this Policy does not comply with those laws, it will be treated as if it did. Any provision of this Policy, which, on its Effective Date, is in conflict with the statutes of the state in which the Policyowner is located on such date is hereby amended to conform to the minimum requirements of such statutes.

Maturity (Changes at Insured's attained age 100)

3. Loans will continue as before with loan interest accruing and interest credited to loan collateral.
4. Cost of Insurance charges and administrative charge(s) will cease.
5. All Riders will terminate.

Termination

All coverage under this Policy will terminate when any of the following occurs:

1. the Insured dies;
2. the Policy is surrendered for its Net Cash Surrender Value;
3. the Grace Period ends without payment of the required premium;
4. the total Debt equals or exceeds the Cash Surrender Value, except as provided in the Grace Period provision.

Ownership Provisions

Policy Owner

The Insured is the Owner of this Policy, unless otherwise stated in the application or an endorsement attached to this Policy. Your rights as an Owner end at the Insured's death. While the Insured is living, You have the right as the Policy Owner to:

1. transfer ownership by Absolute Assignment; or
2. designate, change, or revoke a Contingent Owner; or
3. change any Beneficiary during the Insured's lifetime; or
4. receive any benefit, exercise any right, and use any privilege granted to You by Your Policy; or
5. agree with Us to change or amend Your Policy.

If an Irrevocable Beneficiary has been named, We will require their consent before We process any of Your requests. If the Owner dies before the Insured, the Contingent Owner becomes the new Owner. If the Owner dies before the Insured and no other arrangements have been made with Us, ownership will transfer to the Owner's estate.

Change of Ownership

If a new Owner or Contingent Owner is named, then, unless otherwise stated, any prior designation of a Contingent Owner will be void. The ownership change must be made while the Insured is living by sending satisfactory written notice to Us at our Home Office.

Assignment

Assignment of this Policy will be binding on Us only after a copy of the assignment is received at Our Home Office. We are not responsible for the validity of any assignment. If the assignment is absolute, all rights of the Owner and any revocable Beneficiary are transferred to the assignee. If the assignment is collateral, such rights are transferred only to the extent of the assignee's interest.

Change of Beneficiary

The Owner may change the Beneficiary, except for an Irrevocable Beneficiary, at any time while the Insured is living by sending satisfactory written notice to Us at Our Home Office.

Effective Date of Elections, Designations, Changes and Requests

All elections, designations, changes and requests must be in a form satisfactory to Us. They will become effective on the date the notice of change is signed, unless specified otherwise by the Owner. We will not be liable for payment made or action taken by Us before notice was received at Our Home Office and acknowledged in writing by Us.

Beneficiary

Beneficiary

The Beneficiary will receive the Death Benefit. A Beneficiary has no rights under this Policy until the death of the Insured.

The Beneficiary is defined as one of two classes, primary Beneficiary or Contingent Beneficiary.

If there is more than one primary Beneficiary, each will share equally unless otherwise specified by You. If no primary Beneficiary survives the Insured, the Death Benefit will be paid to the Contingent Beneficiary. The share of any Beneficiary who dies before the Insured, or within fifteen (15) days after, will pass equally to any surviving Beneficiaries in that class, unless otherwise stated by You. If no Beneficiary survives the Insured, the Death Benefit will be paid to the Owner or the Owner's estate.

However, we may pay a Death Benefit up to \$10,000 to any person We consider justly entitled if:

1. the Beneficiary is not competent to give a valid release;
2. the Beneficiary is a minor; or
3. the benefit is payable to the Owner's estate.

If We make payment in good faith, We will not be liable to anyone for the amount paid.

Premiums

Payment

The first premium is due and payable before the Policy becomes effective. The Planned Periodic Premium is shown in the Schedule Page. It is only an indication of Your preference as to future frequency and amount. Payment of Premiums is subject to Our current permitted methods of payment.

Unscheduled Premiums

Additional premiums may be paid at any time prior to Attained Age 100.

Premium Limits

You may change the amount of Planned Periodic Premiums subject to Company requirements. We may limit the amount of premium paid so that this Policy continues to qualify as a life insurance policy under Section 7702 of the Internal Revenue Code.

To remain so qualified, we may:

- refuse to accept any further premium payments; or
- return any premium payment that is in excess of such limit, unless it is needed to continue coverage under the Policy.

We may require evidence of insurability satisfactory to Us before we accept any additional premiums or allow any increase in the Planned Periodic Premium which will result in an increase in the Death Benefit.

Grace Period

If on a Monthly Due Date the Net Cash Surrender Value will not cover the monthly deduction, a grace period of sixty-one (61) days will be allowed to pay a premium that will provide enough to cover the Grace Period plus sufficient premium to maintain the Policy in force for 2 months. However, this Policy will not lapse if it is being continued under the No Lapse Guarantee Provision. We will send You a written notice at least 30 days before the end of the grace period. The notice will be sent to Your last known address and the last known address of any assignee shown in Our records. The Policy will remain in force during the grace period unless it is surrendered. If the Insured dies during the grace period, the amount required to keep the Policy in force to the end of the month of death will be deducted from the Death Benefit.

Any payments sent by U.S. mail must be postmarked within the Grace Period.

Lapse

If the premium is not paid by the end of the Grace Period, the Policy will lapse without value. The date of lapse will be the date the Net Cash Surrender Value did not cover the monthly deduction. All insurance will end when the Policy lapses.

No Lapse Guarantee

During the first ten (10) Policy Years, the Policy will not lapse if the sum of the premiums that have been paid, less any partial surrenders and any Debt, equals or exceeds the Monthly No-Lapse Premium times the number of months the Policy has been in force. The Monthly No-Lapse Premium is shown in the Schedule Page.

On a guaranteed basis, the Net Cash Surrender Value at the end of the No-Lapse Guarantee Period may be insufficient to keep the Policy in force unless an additional payment is made at that time.

Reinstatement

During the lifetime of the Insured, You may apply to have this Policy reinstated within five years after the date of lapse and prior to Age 100, unless this Policy has been surrendered for cash.

We require the following to reinstate the Policy:

1. satisfactory Evidence of Insurability, and
2. payment of a premium sufficient to have kept the Policy in force from the date of lapse to the end of the Grace Period, plus enough premium to keep the Policy in force for 2 additional months after the date of reinstatement.

Surrender Charges and monthly expense charges will be based on the number of years since the Policy has been issued. The Accumulation Value on the date of reinstatement will be the amount provided by the premium paid at reinstatement plus the Accumulation Value, net of loans, as of the end of the Grace Period.

The effective date of the reinstatement will be the date We approve it. After the Policy has been in force during the insured's lifetime for 2 years from the date of reinstatement, We will not contest a claim based on statements made in the application for reinstatement.

Death Benefits

The Death Benefit is the amount payable to the beneficiary if the Insured dies while this Policy is in force. Payment is subject to the provisions of the Policy. We will require the return of this Policy before We make payment.

Amount of Death Benefit

The amount of the Death Benefit is equal to:

- The amount provided by the Death Benefit Option in effect on the date of the Insured's death; plus
- Any additional amount on the Insured's life provided by a Rider; less
- All outstanding Policy Debt.

Death Benefit Option

The Death Benefit Option in effect is shown in the Schedule Page. The three options are:

Option A. The Death Benefit will be the **GREATER** of:

- The Specified Amount on the date of death as shown in the Schedule Page; or
- The Minimum Death Benefit as described below.

Option B. The Death Benefit will be the **GREATER** of:

- The Specified Amount on the date of death as shown in the Schedule Page **PLUS** the Accumulation Value on the date of death; or
- The Minimum Death Benefit as described below.

Option C. The Death Benefit will be the **GREATER** of:

- The Specified Amount on the date of death as shown on the Schedule Page **PLUS** the premiums paid as of the date of death less all partial surrenders; or
- The Minimum Death Benefit as described below.

Minimum Death Benefit

The minimum Death Benefit is equal to a percentage of the Accumulation Value. The percentage depends on the attained Age of the Insured and is shown in the Percentage of Accumulation Value Table below.

Filing a Death Claim

To claim the Death Benefit, We require a claim form and due proof of death. Due proof of death will consist of

- a certified copy of the Insured's death certificate;
- other lawful evidence providing equivalent information; and
- proof of the claimant's interest in the proceeds.

If You or Your Beneficiaries need help in the claim process, contact Your agent or Our Home Office.

Interest on Proceeds

We will pay interest on the Proceeds Payable as required by law, beginning 31 calendar days from the latest of:

- (i) The date We receive due proof of death; or
- (ii) The date We receive sufficient information to determine Our liability, the extent of Our liability and the appropriate payee legally entitled to the proceeds; or
- (iii) The date all legal impediments to payment of proceeds that are dependent on parties other than the Company are resolved, and sufficient evidence of such resolution is provided to Us. Legal impediments to payments include, but are not limited to:
 - a. The establishment of guardianships and conservatorships;
 - b. The appointment and qualification of trustees, executors and administrators; and
 - c. The submission of information required to satisfy state and federal reporting requirements.

Legal Actions

Legal Actions may not be taken to receive benefits until 60 days after the date proof of death is submitted as described above. Legal action may not be taken after the applicable statute of limitations.

Method of Payment

The Death Benefit can be paid in a lump sum or under any payment option mutually agreed upon.

If you wish to have all or a part of the benefit amount paid under a payment option, You must make the election in writing during the Insured's lifetime. If a settlement option, other than lump sum, is chosen, each payment must be at least \$100. If an option has not been chosen when the Insured dies, the beneficiary may choose one.

We may ask for satisfactory proof that the Payee is living when payment is due, if the Payee is a natural person. A Payee may not assign or borrow against the benefit amount. A Payee's creditors may not claim any of the benefit amount or interest, unless allowed by law.

Basis of Payment Option Values

Payment amounts will be no less than those calculated at 1.5% interest and using the Individual Annuity 2000 Mortality table. We may offer payment amounts that are more favorable.

Changes in Existing Coverage

Changes in Specified Amount

After the first Policy Year, You may request a change in the Specified Amount,

Specified Amount Decreases

Any decrease will be effective on the Monthiversary following the date We receive Your written request. A decrease will be applied in the following order:

- a. against any increases in the Specified Amount beginning with the most recent; and then
- b. against the initial Specified Amount.

The Death Benefit amount remaining in force after any decrease cannot be less than \$25,000 for this Policy.

Any decrease in the Specified Amount will be subject to a pro rata Surrender Charge. This pro rata Surrender Charge will result in a corresponding reduction in the level of subsequent Surrender Charges under this Policy.

Specified Amount Increases

A request for an increase in the Specified Amount will be subject to the following requirements:

- a. an additional application must be submitted;
- b. evidence of insurability satisfactory to Us must be submitted.

Any increase approved by Us will be effective on the date shown on the Schedule Page. The total Surrender Charges and Monthly No-Lapse Premiums that apply as a result of the increase will be shown in the Schedule Page.

We may return any premium amount paid that would disqualify this Policy as a life insurance policy under Section 7702 of the Internal Revenue Code, unless it is needed to continue coverage under the Policy.

Change in Death Benefit Option

You may change the Death Benefit Option after the first Policy year to Option A or Option B, if you make a written request to Us. You may not request a change more than once per year. Changes to Option C are not permitted. The change may be subject to evidence of insurability satisfactory to Us.

You may request the following changes:

Option A to Option B

The Specified Amount after the change will equal the Specified Amount before the change less the Accumulation Value.

Option B to Option A

The Specified Amount after the change will equal the Specified Amount before the change plus the Accumulation Value.

Option C to Option A

The Specified Amount after the change will equal the Specified Amount before the change plus the premium paid, less all partial surrenders.

Option C to Option B

The Specified Amount will be adjusted as explained in the preceding sections as if it had first changed to Option A and then to Option B.

The effective date of any change will be the next Monthiversary after We approve the request. It will be shown in the Schedule Page.

Accumulation Values and Cost of Insurance

Accumulation Value

The Accumulation Value on the Policy Effective Date is the Initial Premium net of expense charges less the monthly deduction for the following month.

The Accumulation Value on a Monthly Due Date will be calculated as follows:

- a. the Accumulation Value on the prior Monthly Due Date; plus
- b. one (1) month's interest on item (a); plus
- c. Net Premiums received since the prior Monthly Due Date plus interest from the date of receipt in Our Home Office to the Monthly Due Date; minus
- d. the monthly deduction for the month following the Monthly Due Date; minus
- e. any partial surrender of cash value since the prior Monthly Due Date plus interest from the date of the partial surrender to the Monthly Due Date.

We will calculate the Accumulation Value, on any other date, in a consistent manner.

Net Premium

A net premium is the premium paid less the premium expense charge as shown on the Schedule Page.

Monthly Deduction

The monthly deduction for a Policy Month is the sum of:

- the monthly cost of insurance plus the monthly cost of additional benefits provided by Rider; and
- a monthly expense charge, as shown on the Schedule Page.

Interest Rates

We will credit Your Accumulation Value with interest. We guarantee the minimum interest rate We will use is 3.00% per annum, subject to the following provisions:

- That part of the Accumulation Value equal to any outstanding Debt will be credited with interest at the rate of 4.75% per annum;
- The balance of the Accumulation Value will be credited with an interest rate not less than the guaranteed rate.

Cost of Insurance

The monthly cost of insurance is calculated as (a) multiplied by the result of (b) minus (c) where:

- a. is the cost of insurance rate;
- b. is the Death Benefit on the Monthly Due Date divided by 1.0024663; and
- c. is the Accumulation Value at the beginning of the Policy month.

If there have been increases in the Specified Amount, the Accumulation Value will be first considered a part of the initial Specified Amount. If the cash value exceeds the initial Specified Amount it will be considered a part of additional Specified Amounts resulting from increases in the order of the increases.

Cost of Insurance Rate

The cost of insurance rate for the initial Specified Amount or any change in the Specified Amount is shown on the Schedule Page.

We will determine monthly cost of insurance rates based on Our expectations as to future experience. Experience factors may include, but are not limited to, investment earnings, mortality, persistency, expenses, and taxes. We can change the rates from time to time but they will never exceed the guaranteed maximum rates shown in the Table Of Monthly Cost Of Insurance Rates. Any change will be made on a uniform basis for Insureds of the same Issue Age, gender, Premium Class, Specified Amount and duration.

Adjustment in the Cost of Insurance will not be used to recoup past losses.

Basis of Computation

The Minimum Cash Surrender Values are based on guaranteed maximum monthly cost of insurance rates and expense charges as shown in the Schedule Page, and the guaranteed interest rate of 3.00% per annum.

The Cash Surrender Values for this Policy are never less than the minimums required on the date of issue by the NAIC Universal Life Insurance Regulation, Model #585. A detailed statement of the method of computing values has been filed with the Interstate Insurance Product Regulation Commission.

Guaranteed Charges under this Policy are based on the Commissioner's 2001 Standard Ordinary Mortality table, Male or Female, Smoker or Nonsmoker, Age Last Birthday.

All Policies issued to a juvenile prior to age 15 will be issued as Premium Class standard non-nicotine. If a Policy is issued at age 15 or greater, where the Insured has admitted to nicotine use, the Policy will be issued as a nicotine premium class.

Periodic Report

We will deliver annually to You, at no charge, a report on the status of Your Policy. The report will be delivered no later than 4 months after the Policy Anniversary. The report includes, but is not limited to:

- The dates of the current report period;
- The Accumulation Value at the beginning and the end of the current report period;
- Itemized list of amounts credited or debited to the Accumulation Value during the current report period;
- The Death Benefit as of the end of the current report period;
- Any Cash Surrender Value as the end of the current report period;
- The amount of any outstanding loans at the end of the current report period; and
- If applicable, a notification that the Policy's Net Cash Surrender Value will not be enough to keep the Policy in force until the end of the next reporting period.

Illustrative Report

We will provide, at least annually and without charge, an illustrative report to be sent to the Owner upon request. We will charge a fee of \$25.00 for any additional report requested by the Owner, after the first annual report.

Surrender

Surrender

You may surrender this Policy for its Net Cash Surrender Value at any time while it is in force. Your request must be in writing. We may postpone payment of the Net Cash Surrender Value for up to six (6) months after We receive Your request unless the surrender is to pay premiums on policies with Us.

If You request a surrender within thirty (30) days after a Policy Anniversary, the Net Cash Surrender Value will not be less than the Cash Surrender Value on that anniversary less any Debt or partial surrenders made on or after such anniversary.

Surrender Charge

The Surrender Charge for each Policy Year is shown in the Table of Surrender Charges.

If there is an increase in the Specified Amount, such increase will result in an additional Surrender Charges. The total Surrender Charge as a result of any increase will be shown on the Table of Surrender Charges.

Partial Surrender

You may partially surrender this Policy at any time while it is in force after the first Policy Year. Your request must be in writing. The minimum amount is \$500.

A fee of \$25 will be charged for each partial surrender. The Accumulation Value will be reduced by the amount of the partial surrender and the fee.

We will not allow a partial surrender to be made if it would result in a Net Cash Surrender Value that is less than the greater of:

- \$100; or
- the Surrender Charge, if any, that would apply if the Policy were surrendered in full.

We may postpone payment for up to six (6) months after We receive Your request unless the partial surrender is to pay premiums on policies with Us.

If Death Benefit Option A is in effect, the Specified Amount will also be reduced by the amount of the partial surrender and the fee. If Death Benefit Option C is in effect, the Specified Amount will also be reduced by the amount that all partial surrenders exceed premiums paid. The reduction in Specified Amount will apply first to coverage provided by any increases in the Specified Amount beginning with the most recent and then against the initial Specified Amount.

Loans

You may use the Cash Surrender Value without ending the insurance coverage by asking Us for a cash loan. This Policy is the only security We need.

Obtaining a Loan

You may obtain a loan from Us if:

- this Policy is in force;
- Your loan request is for at least \$500; and
- this Policy has enough loan value.

You may ask for a loan at any time. We have the right to wait six (6) months before making the loan, unless You will use it to pay premiums for other policies with Us.

Loan Value

The Loan Value is equal to:

- a. the Net Cash Surrender Value; less
- b. the loan interest and monthly deductions to the next policy anniversary.

Loan Interest

Interest on a loan is charged at the loan interest rate of **5.00%** per annum in arrears. Interest is due on the Policy Anniversary following the loan date. Any interest not paid when due will be added to the loan and will bear interest at the same rate each Policy Anniversary after that until the loan is paid in full.

Loan Repayment

You may repay all or part of a loan while the Insured is alive and this Policy is in force. All loans and loan interest not paid will be deducted from the proceeds payable at death, or surrender.

Deposits Not Designated as Premium

We shall apply any deposit made to this Policy as a loan payment, unless it is specifically identified as a premium payment.

Policy Expiration

If, at any time, the Debt equals or exceeds the Cash Surrender Value the grace period provisions set forth in the Grace Period section will apply.

Loan interest due and accrued will not be waived. If at any time the Debt equals or exceeds the Cash Surrender Value, the Grace Period provision of the Policy will apply.

If the Total Disability starts while this Rider is in force and lasts for a period of 6 consecutive months, We will credit to the Policy's Accumulation Value an amount equal to the waived Monthly Deductions taken after the first Monthiversary on or following the date the insured's Total Disability began, and the Accumulation Value will be adjusted accordingly.

If We do not receive proof that the Insured is still Totally Disabled, or if the Insured is no longer Totally Disabled, We will stop waiving the Monthly Deductions.

TOTAL DISABILITY STARTING DURING THE GRACE PERIOD: If Total Disability begins during a Grace Period, We require You to add sufficient funds to the Accumulation Value to ensure that any overdue Monthly Deductions can be taken to avoid a lapse of insurance before We approve the Waiver benefit claim.

**LIMITATIONS AND EXCLUSIONS UNDER THE
ARKANSAS LIFE AND DISABILITY INSURANCE
GUARANTY ASSOCIATION ACT**

Residents of this state who purchase life insurance, annuities or disability insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Arkansas Life and Disability Insurance Guaranty Association ("Guaranty Association"). The purpose of the Guaranty Association is to assure that policy and contract holders will be protected, within certain limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of policy owners who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by the member insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting insurance companies that are well-managed and financially stable.

DISCLAIMER

The Arkansas Life and Disability Insurance Guaranty Association ("Guaranty Association") may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions and require continued residency in the state. You should not rely on coverage by the Guaranty Association in purchasing an insurance policy or contract.

Coverage is *NOT* provided for your policy or contract or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as non-guaranteed amounts held in a separate account under a variable life or variable annuity contract.

Insurance companies or their agents are required by law to provide you with this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Guaranty Association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the Arkansas Life and Disability Insurance Guaranty Association Act ("Act"). Below is a brief summary of the Act's coverages, exclusions and limits. This summary does not cover all provisions of the Act; nor does it in any way change anyone's rights or obligations under the Act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the Guaranty Association if they live in this state and hold a life, annuity or disability insurance contract or policy, or if they are insured under a group insurance contract issued by a member insurer. The beneficiaries, payees or assignees of policy or contract owners are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are **NOT** protected by the Guaranty Association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- The insurer was not authorized to do business in this state;
- Their policy was issued by a nonprofit hospital or medical service organization, an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policy or contract owner is subject to future assessments, or by an insurance exchange.

The Guaranty Association also does **NOT** provide coverage for:

- Any policy or contract or portion thereof which is not guaranteed by the insurer or for which the owner has assumed the risk, such as non-guaranteed amounts held in separate account under a variable life or variable annuity contract;
- Any policy of reinsurance (unless an assumption certificate was issued);
- Interest rate yields that exceed an average rate;
- Dividends and voting rights and experience rating credits;
- Credits given in connection with the administration of a policy by a group contract holder;
- Employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- Unallocated annuity contracts (which give rights to group contractholders, not individuals);
- Unallocated annuity contracts issued to/in connection with benefit plans protected under Federal Pension Benefit Corporation ("FPBC") (whether the FPBC is yet liable or not);
- Portions of an unallocated annuity contract not owned by a benefit plan or a government lottery (unless the owner is a resident) or issued to a collective investment trust or similar pooled fund offered by a bank or other financial institution;
- Portions of a policy or contract to the extent assessments required by law for the Guaranty Association are preempted by State or Federal law;
- Obligations that do not arise under the policy or contract, including claim based on marketing materials or side letters, riders, or other documents which do not meet filing requirements, or claims for policy misrepresentations, or extra-contractual or penalty claims;
- Contractual agreements establishing the member insurer's obligations to provide book value accounting guarantees for defined contribution benefit plan participants (by reference to a portfolio of assets owned by a non-affiliate benefit plan or its trustees).

LIMITS ON AMOUNT OF COVERAGE

The Act also limits the amount the Guaranty Association is obligated to cover: The Guaranty Association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the Guaranty Association will pay a maximum of \$300,000 - no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. Within this overall \$300,000 limit, the Association will not pay more than \$100,000 in health insurance benefits, \$100,000 in present value of annuity benefits, or \$100,000 in life insurance death benefits or net cash surrender values - again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages. There is a \$1,000,000 limit with respect to any contract holder for unallocated annuity benefits, irrespective of the number of contracts held by the contract holder. (These are limitations for which the Guaranty Association is obligated before taking into account either its subrogation and assignment rights or the extent to which those benefits could be provided out of the assets of the impaired or insolvent insurer.

ACCELERATED DEATH BENEFIT ENDORSEMENT SUMMARY AND DISCLOSURE STATEMENT

IMPORTANT NOTICE

BENEFITS PROVIDED BY THE POLICY WILL BE REDUCED IF THE ACCELERATED DEATH BENEFIT IS PAID. THE DEATH BENEFIT AND OTHER POLICY VALUES SUCH AS ACCUMULATION VALUES, SURRENDER VALUES AND LOAN VALUES WILL BE PROPORTIONATELY REDUCED.

BENEFITS PAID UNDER THE ENDORSEMENT MAY BE TAXABLE. TAX LAWS RELATING TO ACCELERATION OF LIFE INSURANCE BENEFITS ARE COMPLEX. WE OR OUR AGENTS CANNOT PROVIDE TAX OR LEGAL ADVICE. YOU ARE ADVISED TO CONSULT WITH A QUALIFIED TAX ADVISOR ABOUT CIRCUMSTANCES UNDER WHICH YOU COULD RECEIVE ACCELERATION OF LIFE INSURANCE BENEFITS EXCLUDABLE FROM INCOME UNDER FEDERAL LAW.

RECEIPT OF AN ACCELERATED BENEFIT MAY AFFECT YOUR, YOUR SPOUSE'S OR YOUR FAMILY'S ELIGIBILITY FOR PUBLIC ASSISTANCE PROGRAMS SUCH AS MEDICAL ASSISTANCE (MEDICAID), AID TO FAMILIES WITH DEPENDENT CHILDREN (AFDC), SUPPLEMENTARY SOCIAL SECURITY INCOME (SSI), AND DRUG ASSISTANCE PROGRAMS. YOU ARE ADVISED TO CONSULT WITH A QUALIFIED TAX ADVISOR AND WITH SOCIAL SERVICE AGENCIES CONCERNING HOW RECEIPT OF SUCH A PAYMENT WILL AFFECT YOU, YOUR SPOUSE'S AND YOUR FAMILY'S ELIGIBILITY FOR PUBLIC ASSISTANCE.

ELECTION OF BENEFIT

You may elect an Accelerated Death Benefit payment by Written Request. The Policy must be in force and cannot be in the Grace Period when You elect the Accelerated Death Benefit.

If We approve Your request for an Accelerated Death Benefit payment, We will make the payment in a lump sum, provided the Insured is living at the time payment is made.

GENERAL DESCRIPTION OF THE ACCELERATED BENEFIT

You or Your legal representative may request payment of up to fifty percent (50%) of the Policy's death benefit as an Accelerated Death Benefit, subject to the following:

1. The total Accelerated Death Benefit payable under all policies issued by Us on the life of the Insured may not exceed \$500,000;
2. The minimum amount of the death benefit You may elect to accelerate is \$5,000; and
3. the remaining Death Benefit payable under this Policy and any Endorsements must be at least \$5,000.

Only one Accelerated Death Benefit payment can be made under the Endorsement.

Subject to any other provisions of the Policy, upon and after the payment of the Accelerated Death Benefit, the Policy Accumulation Value will be reduced by a percentage equal to the ratio of the amount of the Accelerated Death Benefit payment to the Policy's Specified Amount. The amount of the Accelerated Death Benefit payment will first be applied toward payment of any outstanding Debt.

Upon acceleration of the death benefit, the Insured will not be reclassified to a less favorable class.

CONDITIONS

The Accelerated Death Benefit is subject to the following conditions:

1. The Insured must be diagnosed by a Physician as having a Terminal Illness while the Policy and the Endorsement are in force.
2. During the lifetime of the Insured, We must receive due proof of Terminal Illness that is acceptable to Us. As part of this proof, We may, at Our own expense, require that You be examined by a Physician of Our choice. If there are conflicting opinions, eligibility will be determined by a third medical opinion provided, at Our expense, by a Physician that the Insured and Us mutually agree on.
3. Assignees and/or irrevocable beneficiaries of the Policy, if any, must give their written consent to Our payment of an Accelerated Death Benefit. If the Policy was assigned to secure a Policy Loan, Our consent as assignee will not be required.
4. In community property states, We may require Your Spouse's written consent.
5. The Endorsement provides for the accelerated payment of a portion of Your Policy's death benefit. It is not intended to permit creditors and government agencies to cause You to involuntarily access proceeds ultimately payable to Your Beneficiary. Therefore, You are not eligible for this benefit if You are required by law to use this benefit to: (a) satisfy the claims of creditors; or (b) apply for, obtain or retain government benefits.
6. We may request You to send Us Your Policy.

You may qualify for the Accelerated Death Benefit only once.

EFFECT OF BENEFIT PAYMENT ON POLICY

Upon payment of an Accelerated Death Benefit, the Death Benefit payable under the Policy will be reduced by:

- a. the amount of the Accelerated Death Benefit payment;
- b. any additional Debt; and
- c. any accrued and unpaid interest on the Accelerated Death Benefit payment.

Where required by law, a Benefit Payment Notice will be sent to You and Your irrevocable beneficiary, if any, when We receive a request for acceleration. A Benefit Payment Notice will show the effect the Accelerated Benefit will have on Your Policy benefits.

PREMIUM CHARGES

There is no additional charge for this Endorsement.

FEES AND INTEREST

Upon payment of an Accelerated Death Benefit, We will charge:

- a. a processing fee of \$75.00. The processing fee will be deducted from the Accelerated Death Benefit payment; and
- b. interest at the rate of 5% per annum, in arrears, on the amount of the Accelerated Death Benefit payment. Any accrued and unpaid interest will be subtracted from the Policy's death benefit.

WAIVER OF MONTHLY DEDUCTIONS RIDER

This Rider is a part of the Policy to which it is attached. It is subject to all provisions and definitions of the Policy unless stated otherwise in this Rider.

EFFECTIVE DATE: The Effective Date of this Rider is the Effective Date shown on the Schedule of Benefits and Premiums Page ("Policy Schedule Page").

This Rider will not become effective unless the Policy is in force.

CONSIDERATION: We issue this Rider in consideration of the Application for this Rider and payment of its first Premium. The monthly cost of insurance for this Rider is shown in the Policy Schedule Page. If the Policy Specified Amount changes, a new Policy Schedule Page will be issued with revised monthly cost of insurance for this Rider.

EXPIRY DATE: The date coverage ends under this Rider is shown in the Policy Schedule Page.

INSURED: The person named as the Insured in the Policy Schedule Page.

MONTHLY DEDUCTION: Includes the actual cost of insurance charges, expense charges, and costs or charges for any benefits added to the Policy by rider, endorsement or amendment, and which are specified in the Policy to be deducted from the Accumulation Value. Monthly Deductions We waive will not be taken from the Policy proceeds.

SICKNESS OR DISEASE: Sickness or Disease diagnosed and treated while this Rider is in force. Sickness also means medical conditions admitted in the Application.

INJURY: An accidental bodily injury sustained by the Insured as the direct result of an accident, independent of disease or bodily or mental illness or infirmity or any other cause, and which occurs while this Rider is in force.

TOTAL DISABILITY and TOTALLY DISABLED: A disability which:

1. results solely from injury or disease which first manifests itself while this Rider is in force; and
2. which
 - (i) **During the first 24 months of Total Disability**, the Insured is unable to perform the substantial and material duties of their job due to sickness or accidental bodily injury; and
 - (ii) **After the first 24 months of Total Disability**, the Insured, due to sickness or accidental bodily injury, is unable to perform any of the substantial and material duties of their job, or any other job for which they become reasonably qualified by education, training or experience.
3. begins before Age **6560**.

If the Insured is not gainfully employed on a full time basis away from his or her residence when Total Disability begins, Total Disability will mean the inability to engage in the normal activities of a person reasonably qualified by education, training, or experience.

WAIVER BENEFIT: If we approve a claim for this Benefit, We will waive the Monthly Deductions made under the Policy. While the Monthly Deductions are being waived, all benefits under the Policy will continue in force, until their Expiry Date as shown on the Policy Schedule Page.

Loan interest due and accrued will not be waived. If at any time the Debt equals or exceeds the Cash Surrender Value, the Grace Period provision of the Policy will apply.

If the Total Disability starts while this Rider is in force and lasts for a period of 6 consecutive months, We will credit to the Policy's Accumulation Value an amount equal to the waived Monthly Deductions taken after the first Monthiversary on or following the date the insured's Total Disability began, and the Accumulation Value will be adjusted accordingly.

If the Insured's Total Disability begins before the Policy Anniversary of the Insured's Attained Age 60, We will waive all Monthly Deductions under the Policy while the Insured remains Totally Disabled. If the period of Total Disability extends beyond the Insured's Attained Age 65, We will waive all further Monthly Deductions while the Insured remains Totally Disabled.

If the Insured's Total Disability begins after the Policy Anniversary of the Insured's Attained Age 60, We will waive all Monthly Deductions while the Insured remains Totally Disabled, but only up to the Policy Anniversary of the Insured's Attained Age 65.

~~If such Total Disability begins before and continues to the Policy Anniversary following the Insured's Attained Age 60, We will waive the Monthly Deductions for as long as the Total Disability lasts.~~

Until the Insured's Total Disability has lasted 6 months, Monthly Deductions will be taken if required.

This Waiver Benefit applies only to the Total Disability of the Insured named on the Policy Schedule Page.

EXCLUSIONS: No benefit will be provided under this Rider if the Insured's Total Disability:

1. results from any attempt at suicide or intentionally self-inflicted injury while sane or insane;

7. results from committing or attempting to commit a felony;
8. caused or contributed to by intoxication as defined by the jurisdiction where the disability occurred;
9. caused or materially contributed to by participation in an illegal occupation or activity; and/or

After this Rider has been in force for two years from the effective date of reinstatement, We will not contest a claim based on statements made in the application for reinstatement.

1. while the Insured is alive;
2. while the Insured is Totally Disabled; and
3. within 12 months of the start of the Insured's Total Disability.

If We do not receive such Written Notice, We will not waive Monthly Deductions that are taken more than 12 months before We receive the Written Notice.

PROOF OF TOTAL DISABILITY: We must receive proof of Total Disability at Our Home Office within 6 months after Written Notice of Total Disability is given to Us. If it is not reasonably possible to give the proof within six 6 months, Your claim is not affected if the proof is sent as soon as reasonably possible. But, unless You are legally incapacitated, We must receive proof within 1 year of the time it is otherwise required.

PROOF OF CONTINUANCE OF TOTAL DISABILITY: During the first 2 years after We receive proof of the Insured's Total Disability, We may at reasonable intervals, but not more than once every 30 days, require proof that the Insured is still Totally Disabled. Thereafter, We may require proof once a year that the Insured is still Totally Disabled. As part of any proof, We may require the Insured to be examined, at Our expense, by a physician chosen by Us.

If We do not receive proof that the Insured is still Totally Disabled, or if the Insured is no longer Totally Disabled, We will stop waiving the Monthly Deductions.

TOTAL DISABILITY STARTING DURING THE GRACE PERIOD: If Total Disability begins during a Grace Period, We require You to add sufficient funds to the Accumulation Value to ensure that any overdue Monthly Deductions can be taken to avoid a lapse of insurance before We approve the Waiver benefit claim.

CHANGE IN INSURANCE DURING TOTAL DISABILITY: You may not change the Insured's Policy benefits while the Monthly Deductions are being waived.

NONFORFEITURE VALUES: This Rider does not have Cash Surrender Values or Loan Values.

TERMINATION: This Rider will terminate on the earliest of:
